How we do it?

All our beef is grassfed and locally sourced from Sussex.

We urge you to eat your burger as intended & with your hands, however, we know that it's not for everyone.

If you're planning to eat with a knife & fork - let us know, and we can get you a plate.

If you want your burger well done - let us know, and we'll cook it with the heat of 1000 suns.

If you want my future, forget my past. If you wanna get with me, better make it fast. So

dont go wasting, my precious time. Get your act together we could be just fine.
